Calhoun, TN 37309

## Landowner Outreach – Resolute Southern U.S. Mills & Sawmills

In an effort to encourage and broaden the practice of sustainable forestry by forest landowners in the southern United States, Resolute is committed to providing information to landowners regarding relevant and important topics such as reforestation following harvest; the use of best management practices; identification and protection of important habitat elements for wildlife and biodiversity, including forests with exceptional conservation value; and the use of qualified or certified logging and resource professionals.

The following links are provided to assist forest landowners, in describing the importance of and providing implementation guidance on: (note that some of the links may need to be copied and pasted directly into the user's browser)

- a. best management practices
- b. reforestation and afforestation
- c. visual quality management
- d. conservation objectives, such as critical wildlife habitat elements, biodiversity, threatened and endangered species, and Forests with Exceptional Conservation Value
- e. management of harvest residue (e.g. slash, limbs, tops) which considers economic, social, environmental factors (e.g. organic and nutrient value to future forests) and other utilization needs
- f. control of invasive exotic plants and animals
- g. characteristics of special sites
- h. reduction of wildfire risk and
- i. the use of qualified logging professionals, certified logging professionals (where available), and qualified resource professionals

### State Forestry Associations or SFI Committees (Look for "Landowner Information" or "SFI")

Tennessee Forestry Association - <https://www.tnforestry.com/>

North Carolina Forestry Association – <http://www.ncforestry.org/>

Georgia Forestry Association – <http://www.gfagrow.org/>

Georgia SFI Implementation Committee - <http://sfi-georgia.org/for-landowners/sfi-for-landowners/>

Alabama Forestry Association – <https://www.alforestry.org/default.aspx>

Mississippi Forestry Association – <https://www.msforestry.net/>

Arkansas Forestry Association - <https://www.arkforests.org/>

Louisiana Forestry Association - <https://www.laforestry.com/>

Florida Forestry Association - <https://www.flforestry.org/>

### State Forestry Agencies

Tennessee Division of Forestry - <https://www.tn.gov/agriculture/forests.html>

North Carolina Forest Service – <http://www.ncforestservice.gov/>

Georgia Forestry Commission – <https://gatrees.org/>

Alabama Forestry Commission – <http://www.forestry.state.al.us/>

Mississippi Forestry Commission – <http://www.mfc.ms.gov/>

Arkansas Dept. of Agriculture – Forestry Division - <https://www.agriculture.arkansas.gov/forestry/>

Louisiana Dept. of Agriculture & Forestry - <https://www.ldaf.state.la.us/forestry/>

Florida Forest Service - <https://www.fdacs.gov/Divisions-Offices/Florida-Forest-Service>

Southern Group of State Foresters - <http://www.southernforests.org/>

Southern Regional Extension Forestry - <http://sref.info/>

Southern Reg. Ext. Forestry – Cohesive Fire Strategy - <http://www.southernwildfire.net/>

American Tree Farm System (ATFS)

American Tree Farm System - <http://www.treefarmssystem.org/>

American Forest Foundation - <http://www.affoundation.org/>

Resolute very much encourages non-industrial or family forest landowners to participate in forest management certification programs designed for them, such as ATFS.
